

This Summer: Like Us On Facebook, Share The Warmth

DOUBLE THE CASH!

If you currently have a solar pool heating system that was either installed or serviced by Solar Living, Inc., then you are eligible to participate.

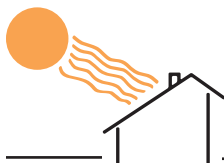

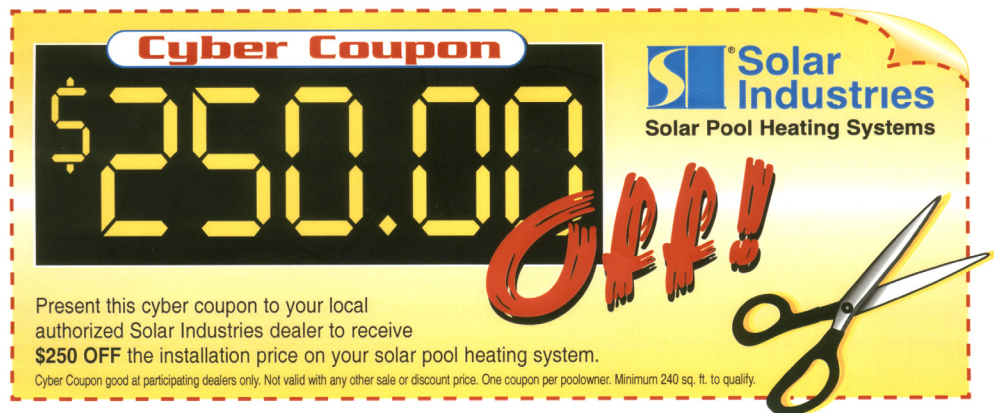

Simply like us on Facebook at facebook.com/SolarLivingInc.

Send us the name and phone number of a friend or neighbor who is interested in heating their pool with solar energy. It's easy, just browse to capturethesun.com/referrals.

You may also call us at (973) 691-8483, just remember to mention the Facebook Referral program.

For every person you refer to us that purchases a system, you will receive \$100 for the referral and a \$100 bonus for liking us on Facebook. That's \$200 per referral, mailed to you by check, after the installation is complete. There is no limit to the number of referrals you can send or the earnings that you can receive!

Don't forget to pass along the \$250 coupon to your friend or neighbor.
